

Eaton T800R-050002D2I

Catalog Number: T800R-050002D2I

Eaton Transformer, Single-phase, 5 kVA, 3.5 kW, 120/240V, Hardwired, cUL listed, (2) 5-20R, and (2) 6-20R receptacles

General specifications

Product Name	Catalog Number
Eaton Power-Sure 800 power conditioner	T800R-050002D2I
UPC	Product Length/Depth
743172080653	23.75 in
Product Height	Product Width
22.5 in	15 in
Product Weight	Warranty
176 lb	2 year

Certifications

UL 544
UL 1012
cUL Listed

Product specifications

Phase

Single-phase

Topology

Line conditioner

Type

Transformer

Wattage

3.5 kW

Efficiency

Approximately 92% at full load

Operating Temperature

-20° to 40°C

Output voltage

120/240V

Output

Hardwired
