

SPECIFICATIONS

Mechanical

Contact retention force: 1.96 N min.

Insertion Force: 15.0 N max.

Unmating Force: 1.0 N min. / 10.0N max.

Durability:

Smart Card: 100000 cycles

Electrical

Current Rating: 1A max.

Insulation Resistance: $1000M\Omega$ min. (Initial) Dielectric withstanding voltage: 500 V AC RMS

Physical

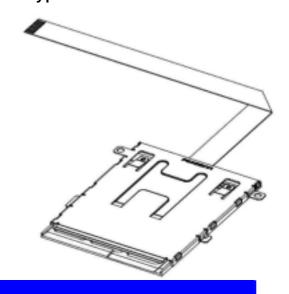

Housing: PA9T, UL 94V-0 rated in black Color

Contact: Phosphor Bronze

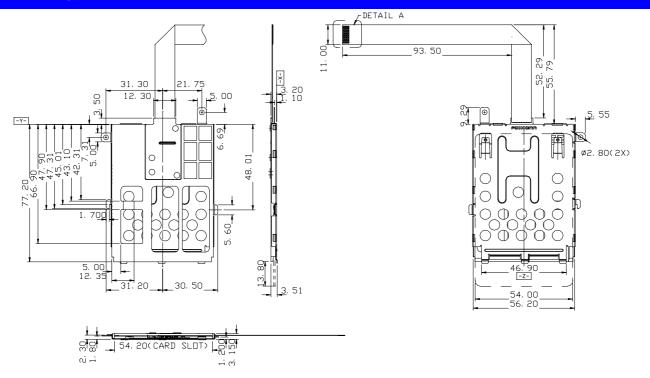

Operating Temperature: -40 to +85

Smart card connector

2W Series, Smart card connector, reverse, FFC type.
