

PRODUCT-DETAILS**127383****INS-ER-SC-106**

General Information

Global Commercial Alias	127383
Product ID	7B127383
ABB Type Designation	INS-ER-SC-106
Catalog Description	INS-ER-SC-106

Additional Information

Bearing Type	Ball
Shaft Attachment	Setscrew
Suitable for Washdown Environment	No

Sealing and Lubrication

Relubricatable	Yes
Grease Name	Unirex N2
Sealing Type	Single-Lip Contact

Suitable for High Temperature Application No

Technical

Dynamic Load Capacity	5759 lbf
Maximum Speed	3500 r/min
Static Load Capacity	3461 lbf

Dimensions

Shaft Diameter	1.375 in
----------------	----------

Categories
