

 PRODUCT-DETAILS

131907

INS-SXR-015 (RESALE)

General Information

| | |
|-------------------------|----------------------|
| Global Commercial Alias | 131907 |
| Product ID | 7B131907 |
| ABB Type Designation | INS-SXR-015 (RESALE) |
| Catalog Description | INS-SXR-015 (RESALE) |

Additional Information

| | |
|-----------------------------------|------------------|
| Bearing Type | Ball |
| Shaft Attachment | Eccentric Collar |
| Suitable for Washdown Environment | No |

Sealing and Lubrication

| | |
|---|-----------|
| Relubricatable | Yes |
| Grease Name | Unirex N2 |
| Suitable for High Temperature Application | No |

Technical

| | |
|-----------------------|------------|
| Dynamic Load Capacity | 3146 lbf |
| Maximum Speed | 4500 r/min |
| Static Load Capacity | 1769 lbf |

Dimensions

| | |
|----------------|-----------|
| Shaft Diameter | 0.9375 in |
|----------------|-----------|

Categories
