**PRODUCT-DETAILS****131931****INS-SXR-207 (RESALE)**

---

**General Information**

Global Commercial Alias	131931
Product ID	7B131931
ABB Type Designation	INS-SXR-207 (RESALE)
Catalog Description	INS-SXR-207 (RESALE)

---

**Additional Information**

Bearing Type	Ball
Shaft Attachment	Eccentric Collar
Suitable for Washdown Environment	No

---

**Sealing and Lubrication**

Relubricatable	Yes
Grease Name	Unirex N2
Suitable for High Temperature Application	No

---

**Technical**

---

Dynamic Load Capacity	11791 lbf
Maximum Speed	2000 r/min
Static Load Capacity	8100 lbf

---

---

**Dimensions**

---

Shaft Diameter	2.4375 in
----------------	-----------

---

---

**Categories**

---

Mechanical Power Transmission → Mounted Bearings → Ball Bearings → Standard → Eccentric Collar (SXR)
