

 PRODUCT-DETAILS

7PAA011591R2030

Expand Basic Pkg to add CC Pkg

General Information

Product ID	7PAA011591R2030
ABB Type Designation	SPO 2.3
Catalog Description	Expand Basic Pkg to add CC Pkg
Long Description	Adds Gas Turbine Package and Combined Cycle Package calculation modules: Feedwater Heater Performance, Pump Performance, Steam Turbine Performance, Condenser Performance, Flow Calculations, Heat Rate Calculation, Heat Exchanger (DIN), HRSG Tools [Performance Library + Tech Calc Modules] (Requires Basic Package)

Additional Information

Medium Description	Adds Gas Turbine Package and Combined Cycle Package calculation modules: Feedwater Heater Performance, Pump Performance, Steam Turbine Performance, Condenser Performance, Flow Calculations, Heat Rate Calculation, Heat Exchanger (DIN), HRSG Tools [Performance Library + Tech Calc Modules] (Requires Basic Package)
Product Type	Licenses

Ordering

Customs Tariff Number	99999999
